Lyle:

I reviewed the supplemental discovery responses. To make a settlement offer, I need your client's 2023 financial information and 2024 financial information to date. You can't withhold this information because your client's tax returns are incomplete. From a trademark infringement damages perspective, your client had profits in 2022.

This is the third time I have asked for this information. Please provide your client's financial information for 2023 and 2024 information to date by Thursday, April 18<sup>th</sup>.

Sincerely,

Brad
